

## JOB OPPORTUNITY POSTING

**POSITION TITLE:** Fibre Optic Technician – Telecom OSP

**LOCATION:** Schomberg

**REPORTS TO:** Field Tech Supervisor

### **SUMMARY:**

Vianet is seeking a qualified, experienced Fibre Optic Technician who is proficient in all aspects of OSP work related to operation and maintenance of telecom fibre optic networks.

The ideal candidate is a multi-talented individual who enjoys a variety of work from day to day and can organize and complete their workload independently and efficiently. This position is a combination of fibre optic cable splicer, FTTH installer and cable locator duties.

Vianet has an extensive and rapidly growing fibre optic network in urban and rural areas throughout Ontario. Vianet offers a full suite of telecom related service including Internet, voice, television and data services across our fibre optic network.

### **POSITION RESPONSIBILITIES:**

- Fibre Optic cable splicing and troubleshooting (backbone, distribution & drop cables)
- Residential and commercial FTTH installation
- Vianet cable locates
- emergency cable repair
- Representing Vianet in a positive and professional manner in the field.
- Driving a company vehicle to make service calls to a variety of customer sites.
- Other duties as required to operate and maintain Vianet's outside plant network

### **EXPERIENCE / KNOWLEDGE REQUIRED:**

- Previous experience prepping and splicing high count ribbon and loose tube cables is mandatory
- Previous experience trouble shooting fibre circuits with various tools (OTDR, etc.) is mandatory
- Previous experience with PLP splice closures is an asset
- Previous experience as a residential FTTH or cable installer is an asset
- Previous experience as a cable locator is an asset

- Previous experience working at heights with ladders and bucket trucks is an asset
- Valid Ontario drivers license and clean driver's abstract (full Class G minimum)
- Safety conscious worker at all times while performing work in the field
- Regular time and attendance is an essential job function
- Upbeat attitude with a positive approach to customer service
- Strong communication skills both verbal and written
- Good people skills with the ability to build relationships
- Team player with the ability to work well with others
- Well organized with good time management skills

**DATE POSTED:** June 12th, 2019

**HOW TO APPLY:**

If this is a job opportunity you are interested in applying for please submit an up to date resume via email to [humanresources@vianet.ca](mailto:humanresources@vianet.ca) or by fax 705-222-2800 referencing **"Fiber Optic Technician"** in the subject line. We thank all applicants in advance for your interest in applying, however because of time constraints, only those under consideration will be contacted.
